Figure 5

The figure consists of two screenshots. The top screenshot shows a 'Hypertext Email Relational Viewer' window with a menu bar (File, Edit, Compose, Tools, Help) and a table of received emails. The table has columns for STATUS, FROM, SUBJECT, RECEIVED, and HOME LINK. Three emails are listed: Jones, Jim (Fiscal Performance, 12/23/99, http://www.lucent.com), Brock, Fred (New Web Sites, 12/23/99, http://www.hr.big.company.com), and Smith, John (Fiscal Performance, 12/23/99, http://The\_Big\_Company.com). The bottom screenshot shows a 'Welcome to Fiscal Performance' page. On the left is a sidebar with links: FROM (Jones, Jim), SUBJECT (Fiscal Performance), an envelope icon, and a magnifying glass icon. The main area features a central figure pointing at a large screen displaying a graph, with three other figures seated below. Navigation links include HOME, HR, PAYROLL, VENDOR, and OTHER SITES. A horizontal scrollbar is at the bottom.
